Pairing the Luminoah Flow pump with the Mobile App

MOBILE PAIRING
Quick Reference Sheet

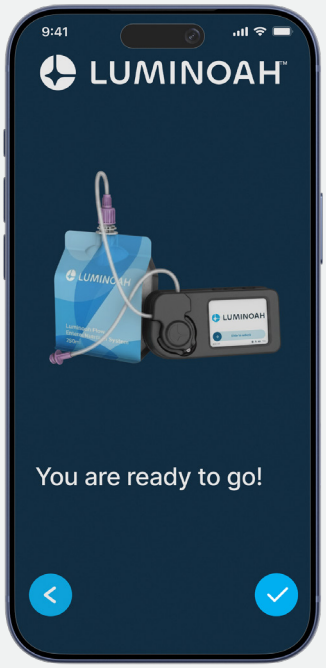
Use the instructions below to pair your Luminoah Flow pump with a compatible smartphone.* To begin the pairing process, visit the Google Play store or the Apple App Store, search for “Luminoah Flow” and download.

PAIRING THE MOBILE APP

1

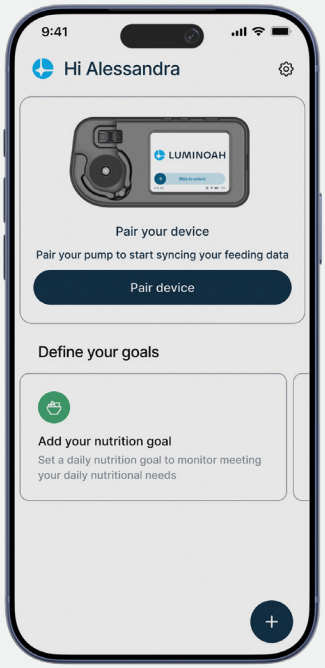
Download the mobile app and install it on your smartphone. Open the mobile app and sign in. Or, if you’re a new user, create an account.

2



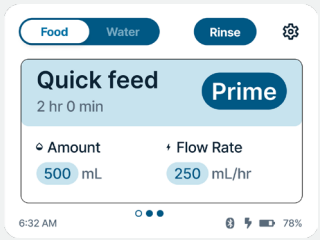
Step through the instructions and app feature highlights. Tap the checkmark when complete.

3



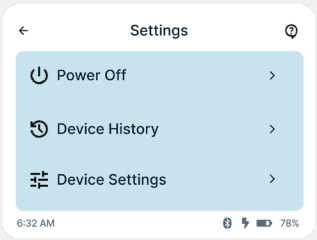
Tap “Pair Device”

4



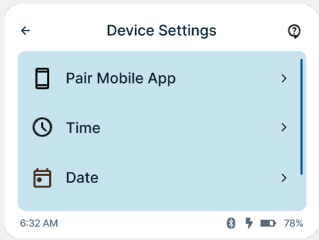
On the Luminoah Flow pump, tap the Settings icon.

5



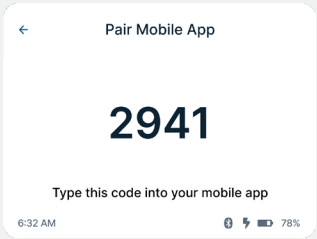
Select “Device Settings” from the menu.

6



Select “Pair Mobile App” from the menu.

7



A unique 4-digit pairing code will be visible on the pump screen.

*The Luminoah Flow mobile app is compatible with Android operating system 7 or later and iOS 13 or later.
